Durable and strong with a warm textured grain effect finish, **Ronda Faux Leather** is an excellent choice for healthcare, hospitality and educational applications. Its high specification guarantees high performance. It benefits from a special construction for easy make-up, its flame retardant, anti-bacterial and anti-fungal.

Ronda's 35 colours include soft plain and metallic neutrals for a cool contemporary feel, classic browns and varying shades of red, blue and green for something more daring.
