

The advertisement features a large background image of light-colored, vertically pleated curtains. In the top right corner, there is a smaller inset image showing two modern, geometric vases, one black and one white, on a shelf. In the lower right, a wooden shelf holds several decorative items: a tall, polished brass candle holder with a white candle, a small brass cup, a dark grey bowl, and a brass shaker with a wooden lid. The Bancroft logo is in the top left, and the product name and contact information are at the bottom.

Our Eclipse FR Dimout is always popular due to its high spec and versatility, ideal for flexible light control, it offers the perfect drapery solution for many applications, where privacy is vital. It can also be used for co-ordinating bedspreads, bed throws and accessories.

17 of the most requested colours from Eclipse are now available in this recycled quality, **Eclipse Recycled FR Dimout**, produced in a GRS accredited mill using 51% Recycled Polyester. With the recycled market getting stronger and now frequently requested we are pleased to be able to offer this as an affordable option, so you can specify and furnish more sustainably whilst still staying in budget.

Recycled shades include crisp greys and blues, relaxed neutrals and warm red, gold and burnt orange. **Eclipse Recycled FR Dimout** curtains pair well with our contract upholstery fabrics.

Eclipse Recycled FR Dimout is washable and meets BS5867 PT:2 B, IMO, EN 13773, M1 and BS7175 so you can specify with the same confidence for a quality finish.
