Mist & Haze FR Voiles are light and fresh, used in hospitality settings they will add an extra layer of interest and texture to window schemes, providing the required amount of privacy, filtering daylight and sunshine without blocking it out entirely.

Haze has a delicate finely woven finish and **Mist** has a more natural linen look, both are available in a range of neutral earthy tones to work across all colour themes. Doubled up with a gorgeous fabric, they will elevate bedrooms and public areas, instilling a graceful overall impression.

Both are 300cm wide-width and washable to BS5867 PT2:B, IMO and EN 13773 standards making them suitable for all contract applications.
